Revisions in monthly data previously published in the 1973 issues of Report FT 135 are shown in the following section. These revisions, which are in addition to those previously published in the December 1973 issue of this report, are given on a monthly basis in Schedule A commodity by country of origin arrangement and in terms of net amounts to be added to or subtracted from the published figures. Data followed by a minus sign (-) are to be subtracted; other data are to be added. Although the revisions have not been prepared by commodity groupings, they are applicable to monthly data previously published in table 1 of the 1973 monthly issues of Report FT 135.
